Stand up Stand out

Written by: Kylee Rollins, Isra Siddiq, and Shelley Whalen

(Verse 1)
Show up, put a smile on your face
Fake it till you make it
And pray you'll be them one day
During this time
We are supposed to find ourselves
But how can we when the world is black
and white?

(Chorus)
Stand Up, Stand Out
We've got music for the eyes
(And its) made from the soul
Stand up, Stand out

Express what can come from the heart even Breaking up conformity Choosing color over pain Show up, Push out All the crowds that put you down Find the place that makes you if it's dark. It's still always apart and that's really just the start of making your mark. Just stand up and stand out whole because the world is new, our minds are (Chorus) free and our craft is what will save us from the blank pages of normality Stand Up, Stand Out We've got music for the eyes (And its) made from the soul Stand up, Stand out

Class

Freshman year marked the beginning of our class's journey through the high school, as well as the journey to find ourselves. Freshman year, as most freshman are, many of us were nervous and scared of wandering to classes no longer all in one hallway, and of seniors who seemed like adults to us. We elected Chris LaVallee as President, Mike Gould as Vice President, Annie Roberts as Secretary, and Lauren Ruddy as Treasurer. As freshmen, we did not stand out exponentially, with only a handful of stars on the field or on the stage. However, although we may not have shined yet, we began to show to ourselves and others what we were capable of. Our first year of high school brought much change from the hallways of NAMS, as many of us met new people, made new friends, and found new passions. For some, freshman year, although always expected to be the worst, turned out to be one of the best years of our lives up until then. As freshmen, we finally got a taste of more realistic academics, more competitiveness in theatre, music, and sports, and most importantly, we got a taste of freedom. Freshman year prepped us to emerge together as a class that upon leaving in 2016, would most certainly leave a mark on NAHS. -Nick Pedro

Sophomore year was really a relatively uneventful year for the Class of 2016. I'm sure that is an unusual way to begin a class history. People usually stand up here and say our class dominated everything across the board and couldn't be stopped. Don't get me wrong we joined sports teams, clubs, theater, and band but sophomore year was not about taking the lead in those activities. Sophomore year was a chance for us to find out who we were. Freshman year we stepped into the roles of who we thought we were and for many of us, we discovered that was not who we were or who we wanted to be. So led by, class officers Chris LaVallee, Meredith Johnson, Annie Roberts and Lauren Ruddy, sophomore year we explored our options. We weren't freshmen anymore but we learned quickly that that was not the same thing as being an upperclassman. We learned that our hard work over the summer paid off in every aspect of our lives. We might not have been the smartest or most talented class in the school but we worked hard for future success. We applied ourselves to every course that we took, every game that we played, every concert and play that we performed. Sophomore year we worked hard on the NAMS cafetorium dancefloor for the Freshman/Sophomore Social. Some of us really found our calling that night. Of all the classes to come through these halls I think the Class of 2016 must be one of the classes that has grown the most in our time here. When I say that our sophomore year was uneventful, I just mean that you couldn't measure what we were doing in awards, statistics, or any kind of tangible accolade. What we did as a class that year will extend in to our future for years to come as the basis for success and I consider myself lucky to be a part of the Class of 2016. Thank you, have a good day, and Go Big Red. -Jimmy Schromm

Junior year marked our transition into upperclassmen at NAHS. Members of the Class of 2016 began to take on more responsibilities and more leadership roles, both in our school and in our community. Many of us earned a spot on varsity sports team for the first time, landed our first major role in a theatre production, or settled into the roles that we created for ourselves. The Class of 2016 shined academically, despite the stress of what we were told would be our most challenging and most important year. We started preparing to apply to college by taking the SAT, ACT, and the AP exams. At the rallies, we became louder and more competitive resulting in several junior victories throughout Homecoming Week. We elected Chris LaVallee as our president, Meredith Johnson as our vice president, Annie Roberts as our secretary, and Nick Pedro as our treasurer. With the help of our class advisors, Ms. Churchill and Ms. Dennen, we spent a night wishing upon a star at out Disney-themed junior prom to celebrate the end of another successful year. During the 2014-2015 school year, we became more prominent members of the North Attleboro community, making great memories along the way and anticipating many more to come. Having thrived all throughout junior year, the Class of 2016 proved that we were a force to be reckoned with and that we were more than ready to become the leaders of the school. -Merry Johnson

Senior Year. Those two words create a lot of excitement and hype when it's finally your turn to fill those shoes. Those words have a lot meaning behind them after the years of hard work and preparation we have spent to reach this pinnacle. If you are in another class, I promise that one day you will feel the same about senior year. And if you are one of seniors who get to experience the pride and joy of making it through, I congratulate you. Each and every one of you has overcome obstacle after obstacle, and have continued to prove to the world that we can accomplish anything. With Chris LaVallee as Class President, Merry Johnson as Vice President, Jimmy Schromm as Class Secretary, and Nick Pedro as Class Treasurer, we were able to host fun events all year round, and we made the best out everything, even when fire alarms went off at school dances. Looking back on this year, it's challenging to pick the best parts for our class, because every part was the best part. We got to share another great year of sports, whether it be a home game at Community or away meets at other schools which, let's be honest, have nothing on us. The fine arts departments at North have continued to thrive thanks to the high level of talent and the fantastic leadership abilities of the seniors who have guided them. Our clubs continued to flourish, and for many of us, it was our turn to be the leaders in these organizations. We were given the opportunity to show NEASC what it truly means to be a Red Rocketeer, and that each and every student's level of creativity is what brings life to the halls of this school. I could stand here all day and list our accomplishments, but what matters most at the end of the day is that we have accomplished this as a class. We have proven that we can take on any challenge, regardless of how difficulty may be. Together, as the seniors, we have brought meaning to the GO BIG RED chant, and will continue to spread the word as we venture out into our lives outside the school. Congratulations Class of 2016, we have made it.

Juniors

The Class of 2017
had an incredible
Junior Year! They started

off junior year with jam packed schedules filled with challenging classes, sports, music, theater, other extracurricular activities, jobs, and busy social lives. When homecoming week came around the juniors were ready to bring it! They blew away the competition in the tug of war, and their bleachers were a deafening sea of blue. On the night of the big game, the juniors collected donations for the local animal shelter and spent their Saturday

dancing the night away. Sunday morning the Junior Jets fought hard, but unfortunately lost the Powderpuff game to the Senior Sharks. The Junior Prom took place on Saturday May 14, 2016 at Valley Country Club and was a night to remember. The juniors dressed in their finest attire and spent the entire night on the dance floor! The juniors had their fair share of accomplishments, ranging from our elite athletes to out talented musicians and incredible actors and artists who exhibited their talents and passions continuously throughout the year. All in all, it was a tremendous year for the class of 2017 and was a year filled with fun, friendships, and lasting memories.

NAMS to NAHS, we have been prepared to take on the journey of beginning of our journey to success! -Class President Mitchell Rowe

The Class of 2019 is comprised of ecstatic students determined to give it their all every single day. We freshmen are a class of hard-working, allaround amazing people bound together by the memories we have made together and the respect and support we have for each other. Each person in the freshman class is unique. Since the day we crossed the bridge from

> high school. Within the first few weeks of school, we threw ourselves into the wide variety of sports and clubs that NAHS has to offer. Throughout the year, we have demonstrated our tremendous academic abilities, as well as our phenomenal performances in athletics, music, art, and theater. With the help of great class participation, we have succeeded in raising money not only towards our class, but for charities like the McCourty Foundation. We freshmen take pride in our spirit and determination. This prodigious year is only the

JUNIOR PROM

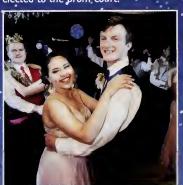

Themed to resemble a Night Under the Stars, the Junior Prom, held on May 14, 2016, at Valley Country Club in Warwick, Rhode Island, was a smashing success for all who attended. Dressed to the nines, the juniors packed the dance floor all night long after sitting down to a delicious three course meal. The photo booth remained a staple of the night as different groups poured into it, and the open balcony was a refreshing escape for air as the dance floor continued to heat up. It was a lovely night for the class of 2017!

Juniors danced the night away to everyone's favorite Jine dances, including the "Cha Cha Slide" and the "Cupid Shuffle".

The 2015 Fall Cheer Team...

We created memories that we will never forget. We started our journey at Westfield State, attending UCA cheerleading camp. We were awarded the "Top Banana", along with the "Tradition Award". We also received many other small awards. Doubles were here before we knew it. The team pushed through the long hot days and made vast improvements. AS we practiced through the long hot summer we approached the annual Fall into Fashion Fashion Show. This fundraiser helped us raise a lot of money for our program. The season progressed as we practiced hard for Friday night games and performed at rallies. The season was almost coming to an end. Nothing can compare to the feelings that we have for cheering under the lights on Friday nights at Community and the big annual Thanksgiving Day game. The hard work and dedication that these girls put into this season is unforgettable. We will never forget the special bond we have with each and every one of you girls. Thank you to our amazing coaches Patti Johnson and Kristen Quagliaroli, and our 21 sisters for making our last fall season unforgettable. We love you.

The 2015 Girls' Cross Country Season ...

would not have been as successful if it were not for the tremendous individual efforts everyone contributed to the team. With a winning duel meet season and uncountable hours, all the hard work and long runs during the summer definitely paid off. The season will be remembered for everyone's perseverance, but will be cherished for the people that made the cross country team a family. Even with only a few new additions, we showed each other how much stronger our sisterhood was over numbers. From our annual donut mile, to team pasta dinners, and everything in between, we grew closer to each other as the season went on. The team placed fourth overall in the hockomock championship meet, ending the season by putting another huge accomplishment in the books. We are so proud of this team and can only imagine what is waiting in the future. Thank you to our coaches Anne Marie McGrail and Abbie Woodard, and our cross country family for making this season so special.

What a Season...

The boys cross country team had a great season with a 2-3 dual meet record in addition to a 6th place finish at the Hockomock League Championships and a 13th place finish at the Divisional Meet. We had an incredibly hardworking team that consistently improved over the course if the season and ought hard every race. After senior Captain Colin McKenzie suffered a tough seasonending injury early on in the season, returning senior captain Prateet Shah and returning junior Matthew Reimels worked with XC newcomers, senior James Schromm, junior Chris Mullaney, and freshmen Liam Monahan, Julian Dixon, and Skyler Porier to create a team with a lot of depth, character, and strength. Overall, whether someone scored crucial varsity points in a dual meet or ran a big personal record, everyone was a key contributor to the team and that fact alone made this season very special. Big things are expected from this young team next year, and under the leadership of Captain Matthew Reimels, there is no doubt that NAXC will be successful.

was marked by many challenges to overcome. We faced the loss of some very talented seniors and tough competition in a very strong Hockomock league. With only five returning varsity starters in the field, we had to call upon numerous underclassmen to step up and kill thee void, and they did just that. Working hard to improve at every practice and game. After numerous captains practice and hard work through the hot months of our preseason, we came out strong in our first game against Canton, tying I-I. Although we faced some tough losses throughout our season, we still managed to have so much fun. We were able to grow very close and we will always remember all of the laughs that we shared on and off the field. As captains, we are so proud of our team and know that every girl has pushed them es to be a better field hockey player and teammate. Thank for all of the wonderfl memories NAFH. We wish you the best of luck in future seasons.

This year was North Football's most successful season in the past four years. We started off the season by beating teams we lost to in previous years, which boosted the team's confidence. We went into the playoffs against Duxbury with an undefeated season, but sadly, we lost. Even though this loss was a disappointment, we kept our heads up and stayed positive. The one thing we regret the most about our season is losing the Thanksgiving football game against Attleboro. All in all, our team accomplished a lot this year. We set the school record for most Defensive Touchdowns in one season, were Hockomock League Champions, and five of our players were Hockomock/Sun Chronicle All Stars and Hockomock Kelley-Rex division MVPs. We leave the team in very capable hands, to keep the momentum going for next season.

On The Green...

The best part about our season was the success we had together as a team. After finishing the regular season, we had a good enough record to qualify to compete in the state tournament. This is the first time in a long time that we have been able to achieve this goal. After this incredible season, the team chose Robbie Congdon and David Colassanti to take on the responsibility of leading this team to the state tournament, and hopefully further on. This year's season has left behind high standards for next year's season, as well as all of the seasons to come.

I'll be there for you...

The 2015 girls soccer team is a group like no other. This is evident from our outstanding record of 11-4-3 in the regular season with a post season run of 2-1. Our work began in July at captains practices where we et goals and got in shape. Then, we went to camp and won the talent how for the second year in a row! Our new coach, Glen Pasquel, believed in our abilities and held us at remarkable standards from tryouts. We began the season with a tough loss to Canton, but we were able to shock the Hock just one week later when we delivered Oliver Ames their only loss this season. We worked hard to also achieve important wins over Foxboro, KP, Durfee, Attleboro, and Stoughton as well as avenging last years playoff defeat by crushing Mansfield. We have huge amounts of pride from winning that game in particular. Later n the season, we scored on Franklin. This tie marked a huge clinching of second place for us and a crushing hit to Franklin as they had not let in one goal this season. We delivered big blows to team er team tournament as we were the first girls soccer team to make it to the semi-final round.

The amount if pride that we have in this team in ineffable. We thank each and every girl for working hard on and off the field to make this season one to never be forgotten. We also want to thank our coaches for always believing in us and for being role models with passion and heart. Work hard and continue to dominate the hock and MA in the future! Much love, forever and always from your captains, Grace and Allie

Soccer is Football...

Heading into the season, we thought that we could have a very successful season. We worked extremely hard and won most of our pre-season games. Although our record was not what we anticipated, this season was a success in the way of teamwork and cooperation. We tied our first game with Canton, and tied Attleboro and Taunton as well, the latter of the two we defeated the second time. One of our major achievements this year was to bring the Leach and Garner Cup home from Attleboro through a great team effort. Leaving this young and talented team behind, we are excited to see the results of next year's season. Best of luck in the upcoming years, and thank you all for a great season.

This season was ..

one for the books, from Shia LaBeouf to outperforming any national anthem, we've made some pretty unforgettable memories throughout this year. Even though our record didn't show who we really were as a team, NAVB consisted of insanely talented and hardworking girls. Having had a slow start to the season and still being able to make it to the quarter finals in tournament shows the dedication and persistence that our team was made of. Watching the growth and improvement of every individual on this team made this season that much more satisfying. Not only did we succeed on the court, but through fundraising, the student game, a car wash, and our dig pink game, we were able to raise an outstanding \$3,500 to go towards breast cancer research. To us, NAVB is not just a team, but a family and being a part of such an amazing group of girls made all the pain, sweat, and tears worth it. We cannot thank you all enough for making this the best senior season we could ask for. Best of luck to all of the returning players and your 2016 captains Lindsay Howlett and Gabby Duva, you guys are going to do great things!

Love your captains, Sara and Rachel

The 2015-2016 Basketball Season...

Coming into this season, we knew it was going to be a tough year in the competitive Hockomock League, but we were ready to fight hard every night with a great mix of talented returning players and new underclassmen that added different dimensions to our team. We all worked hard every practice and pushed each other to be the best we could be. Winning many exciting games, we made our way to another winning season and qualified for the MIAA State Tournament. Our great team chemistry helped us become a very close-knit unit, evident in our unselfish play and special bond both on and off the court. It has been a year of great memories, full of post-game celebrations, team dinners and sleepovers that no one will forget and I could not have asked for a better senior season with a better team!

that we as a team accomplished this year in north Attleboro basketball. With Ridge and I as captains, we had a lot of big shoes to fill. Our expectations coming into this season were huge because we had many returning players that had great talents and a lot of experience. As the season started we defeated a very talented Taunton team on the road 76-74 to give us a 1-0 start. That really set the tone for the season to come. As the season got under way we beat some teams and came up short on some games but that didn't stop us. But there was one game that was the highlight of our season. And that was the game that we beat Bishop Feehan on the road when they were undefeated. It was a tough and physical game that we finished all the way till the end. We as a team were so proud of ourselves finishing the season 8-12. Ridge and I, would summarize this season as a one to remember and that we are stepping in the right directions for the years to come in the basketball program at NAHS.

I proudly say that this 2015-2016 Gymnastics team has been the best of them all. We were and still are so close, we are a family that will never forget about each other. We laughed, cried, sang,danced, and loved each other, nobody could break a bond like our team. I would like to say thank you so much to everyone on the team for making my senior year so special. Thank you for respecting every other team just like they are your team. Every single girl should be so proud to provide their hard work and dedication to this team. Our team walked into practice ready for what coach Krissy and coach Debbie had ahead for the day. We practiced, giving it our best effort, and of course it paid off. We ended the season with a new school record of 4-3, win to loss ratio. That is fantastic and something that has not been accomplished in more than five years. I cannot wait to see how far this team is going to go because this is just the start. Keep working hard and don't let anything get in your way of your goals. I love this team more than anything and I know I'll be back, wishing I could be as amazing as they are. Thank you for the most incredible year! Love, your captain, Haley Blake

2015-2016 Girls Winter Track...

The 2015-2016 Girls indoor track season was filled with hard work, excitement, and undoubtable success. Thanks to our head coaches Anne McGrail and Scott Holster, we never failed to give it our all and leave it all on the track. Whether it was at practice or a in meet, the team came together as one and persevered through each workout and race. Every athlete played a significant role on our team jumping, running, or throwing, and even though divided by our events, we became a family. The season was full of ups including a 4 meet winning streak, placing second in the Hockomock League, and having the most athletes ever on our team to attend the MIAA Allstate meet. Each teammate consistently cheered the others on, helping to lead us to many successes. Coach McGrail and Coach Holster were accompanied each week by Corey Charron, Marcus Vaughn, Vanessa Duclos, Jason Feid Patrick Beith, Kelly Allen, and Amanda Louro, and all were essential in helping us to reach our goals. We are tremendously proud of the attitudes, work ethic, and talent that filled the team this year and we wish them luck in next year's

Captains Patrick Johnson, Gareth King, and Connor Flynn

The Boys...

2015/2016 Indoor Track and Field season was met with ambition and bravery from all participants. After losing many key athletes from previous years, the team had to find a new identity. After a shaky start against Mansfield at Reggie Lewis, the team achieved a 3-2 regular winning season, and many athletes stepped up to the plate and became key members of the team. Sprinter Nick Rajotte made a name for himself in the 55 meter dash, and John Thompson and Matt Tarantino excelled in the jumping events. Prateet Shah and Matthew Reimels gave it their all in every long distance event. Thank you for a fantastic season gents, and we look forward to an even greater spring.

2015-2016 Swim Team...

The 2015-2016 swim season was a great one. We started out strong with big wins against Milford and Sharon and continued our streak beating both Oliver Ames and Mansfield. Towards the middle of the season we had two close losses against our top competitors KP and Franklin, but we bounced back winning against both Taunton and Attleboro. At Hocks we placed fourth and many individuals and relay teams advanced to both sectionals and states.

This season was also a success because of the addition of several community service projects the team put together. The entire team worked together to make and decorate holiday cards to be sent to veterans in the hospital, and collected canned food to be donated to Lenore's pantry at a meet. Giving back to the community is important to the team and these events were great ways to do something nice for others and bring the team closer together.

We are so proud of this past season and know that the team will continue to have great success next year under the leadership of captains Katie Gallagher and Angela DeJesus. We know you'll be awesome!! Love,

Captains Ashley Lamoureux and Caroline Ulrich

The boys' swim team ended up losing half of its swimmers from last year, and at the beginning of the season, we were projected to lose every meet this season. However, after putting in hard work in and out of the pool, we grinded for every point and ended up with a 2-6 record. Teams that were supposed to blow us out ended up winning by just a couple points, as well. What our record does not show is that the guys on this team are true winners. Every practice and meet, we would feed off of each other's competitive energy and would push each other past our limits to new best times and points at meets. The swim team this year was a perfect balance of a team that knows how to have fun and work hard. We had our share of blasting music at practice along with pasta dinners filled with stories before every meet, but when we needed to, we all hustled to go above and beyond for each workout. Also, we went above and beyond for others on the team by always cheering as loud as we could for our swimmers whether we were getting blown out or if it was the last race of the meet with a win on the line. This swim team is like a family to me that has done amazing things for me and the other seniors throughout the years, and I can only see this family doing bigger and better things as the seasons go by.

The wrestling team...

under the stewardship of Co-captains Mike Gould and Nick Morrison had a fantastic year and powered their way to an impressive record of 24-1. With an incredibly strong varsity lineup backed up by high quality underclassmen. The team went on to win the Marshfield Holiday, Whitman Hanson, Cumberland, Hockomock League, and Division 2 South Sectional Tournaments, as well as the Hockomock League title. The squad's hard work and dedication to success paid off when the team had a D2 Hockomock Champion for the first time in North Wresling history, as well as winning the D2 State Tournament Championship in an impressive fashion with II qualifiers and to the tournament and 3 runner-up state champions. 8 team members earned members earned medals and a trip to the MIAA All State Championships, resulting in 3 New England qualifiers as well. With multiple Hock League and Sun Chronicle All-Stars, the senior class outdid themselves proving that with competent leadership and a team-first attitude, everyone can be successful. The team wishes to extend its gratitude to its mentor Mr. Burgess for his exceptional training and teaching skills that helped the team reach its goal of becoming STATE CHAMPIONS!

A year of growth

With captains Brian Kleczkowski and Ridge Olsen at the helm of the team this year, the varsity team faced a tough set of opponents. Sharing a fair amount of both wins and loses the varsity team finished with a 7-13 record. No matter how we were doing throughout the season, the team chemistry continued to grow and we all gained more and more experience. It wasn't just the varsity team either, the Junior Varsity and Freshman team also found their own groove during the season and were able to improve together. This year although not perfect, was awesome, I don't think I could ask for a better team. Good luck guys! Go Big Red!

2016 Lacrosse...

The 2016 Girls Lacrosse team is one to remember. We started the year with a new coach and high expectations for the season. After losing 14 seniors we had the chance to build upon our returnees and give underclassman the opportunity to step up and they did just that. We began the season at Foxboro High school, and unfortunately walked away with a loss. However, that only made us practice harder and grow stronger as a team. On the field we connected our passes and off the field we created great memories by participating in the fit challenge and getting together for pasta and pizza dinners. Halfway through the season, we had the opportunity to play Notre Dame Academy, the best team in the state. Although we walked away with a loss that day, we held our heads high and looked forward to the second half of our season. The following game, we qualified for the state tournament for the second year in a row, and the second time in the program's history. We are confident that next years captains will make us proud and continue to fight in the post season. The seniors will miss everyone, and wish the 2017 Girls Lacrosse team the best of luck next year.

Love your Captains, Brooke and Liz

2016 Lacrosse...

The 2016 NAHS boys lacrosse team had a good season despite a record of 8-10. Having graduated almost all of the starting lineup from the previous year, the team held Foxboro, one of their biggest challengers, to 3 goals in their season opener. Junior Dan MacDonald had a big year in net, with support from Captains Andrew Casson and Anthony Baiungo on defense. After a few tough losses early on in the season, the team managed to bounce back with a comeback victory at an away game vs. Scituate. Despite the late-season injuries of junior attackman Owen Costello and sophomore FOGO Jason McNeany, the team battled all the way to the end of its toughest season to date. With almost the entire offense returning next year and the return of goalie Dan MacDonald, defenseman David James, and head coach Kevin Young, things are looking up for NAHS Lacrosse.

2016 Spring Track:

The 2016 Spring track Season was one we will never forget. Not only were 6-1 but we achieved Hockomock league champions on May 16th. We could not have accomplished all that we did without our 100 teammates running, jumping, and throwing beside us. Every foot, inch, minute, and second helped us achieve greatness on the track and field.

As captains we could not be any happier to have made the miraculous memories we have with the team. Being a part of the North Attleboro girls spring track team is a privilege and amazing experience.

We are so proud of the girls and cannot wait to see the legacy continue with Bella, Julianna, and Sabrina as the leaders of 2017. Best of luck to the following seasons we know you will excel and rise above all expectations

2016 Tennis...

The North Attleboro Girls' Team has been very successful for the past couple years, and this year we've pushed to keep up that high level of intensity and skill that this team is all about. With our five returning starters, we were hopeful that we would again be successful this season. After winning our first four matches, we faced Bishop Feehan, a tough competitor, but we worked hard and were able to win 5-0. As the season progressed, we continued to win each match 5-0 and clenched a spot in the tournament after just 10 matches. We hope to end on a high note this year by achieving the title of Hockomock Champions for the sixth year in a row, since it is our last year being in the Kelly-Rex Division. The North Girls' Tennis Team may be small, but it is full of extremely hardworking, dedicated girls who play to the best of their abilities each and every day. Like Mr. Burgess says, "It's not how good you are, it's how good you are TODAY," and that is evident every single time each girl steps on the court.

Mitchell Dyer led the team at first singles, including a key victory in the first match of the year against canton. Junior Zac Pfeffer shared the best record on the team at second singles with a 14-3. At third singles, junior Barsomo (Queen Sally) Nuay had a key victory against King Phillip late in the season. At first doubles seniors Nick Locavitch and leff Yao led by example with their strong emotions both on and off the court. At second doubles, senior Jake Fontes and junior Dan Zhang had a consistent season with a record of 13-4. On senior night against Attleboro, Ben Lacasse secured his first varsity win at third singles while seniors Duncan Pickett and Ben Scott secures their second win of the season at Second Doubles led by first coach Michael Lacasse, the team secures a first round victory over Brockton in the tournament, Despite missing a key member of the team.

Fall Play

The Theatre Company presented Jane Austen's "Pride and Prejudice" as its annual fall play. The romantic comedy adapted for the stage by Joseph Hanreddy and J.R. Sullivan, was directed by director Lisa Forsgard. The play begins with the Bennet family enthralled by the opportunity of enthralled by the opportunity of marrying one of their five daughters to the young, wealthy bachelor, Charles Bingley, played by sophomore Alexander Rinaldi.

With the possibility of losing the entailment of the Bennet estate to their closest male relative, their unknown cousin, Mr. Collins, postrayed by sophomore Coleb.

portrayed by sophomore Caleb Vargas, Mrs. Bennet, depicted by senior Lyndsey Burtch, is frantically senior Lyndsey Burtch, is frantically attempting to marry off her daughters to men of stature. Meanwhile, her husband, Mr. Bennet, played by junior Benjamin Wuesthoff, takes no interest in the matter.

The kind-hearted, but timid, eldest daughter, Jane, played by senior Nicole Boulanger, becomes taken with Mr. Bingley while the intelligent and independent Lizzy Bennet, acted by senior Meredith

Bennet, acted by senior Meredith Johnson, remains adamant about finding her ideal suitor.

However, upon her introduction to the proud and aloof gentleman Mr.

Darcy, portrayed by junior Andrew Lamoureux, she grows to acknowledge her affection toward him, despite their different social standings and initial distance for one standings and initial distaste for one the antics in the 1811 English countryside bring to life Austen's famous and memorable characters.

One Acts

The Theatre Company presented its 44th Annual One Act Play Festival in January.
Three plays presented were;

"Check, Please" is a comedic play written by Jonathon Rand, directed by senior Kaitlyn Cul en with assistant director Shelley Whalen. The play chronicles the stories of odd characters who one may come across in the dating world.

"Escalator," by Tanner Heath directed by senior Katie Irey, a zany group of shoppers find themselves inexplicably trapped on a broken down escalator in the local mall. While trying in vain to find a way off of the escalator, they squabble and eventually begin to band together and confide in each other.

In Lee Blessing's thoughtprovoking dramedy, "The Hourglass Project," directed by senior Abigail Rodriguez, assisted by senior Nicole Boulanger, a handful of confused and depressed senior citizens are miraculously transformed back in to their 20-year-old selves through a scientific experiment.

Spring Musical

Relive the quintessential spirit of Western America in the Theatre Company's rendition of Irving Berlin's "Annie Get Your Gun".

The show is directed by Lisa Forsgard, with musical direction by Rob Couture, and pit orchestra conducted by T.J. Rizzo.

The story follows the knee-slapping journey of the young sharpshooter Annie Oakley, played by senior Meredith Johnson, as she travels with the Wild West show of Buffalo Bill Cody, played by sophomore Alex Rinaldi. Scouted by the show's manager, Charlie Davenport, played by junior Andrew Lamoureux, Annie quickly becomes the assistant to the alluring marksman, Frank Butler, played by junior Ricky Mulligan. A budding romance soon blossoms between the two, despite the efforts of Frank's former assistant, the conniving and hateful Dolly Tate, played by sophomore Lorie Simonian.

SENIORS

Athletes cap off their high school athletic careers as they are recognized by coaches and administration.

Fisher Kelley Awards

Senior student athletes graciously accept their awards from presenters.

The Fisher Kelley Banquet has been a North Attleboro tradition for 95 years and carries a huge importance among the athletes, coaches, parents, and community. It is an event to celebrate, "what it means to be a North Attleboro kid", in the words of athletic director Kurt Kummer. This night is also an opportunity to glance into the futures of these students. They will take the lessons learned through athletics such as dedication and team work and exhibit them in all other aspects of their growing lives. North Attleboro athletic programs have provided vast support for these athletes, and will continue to do so as they venture off to future endeavors. Their endless support will not be forgotten, they can not be thanked enough for their sacrifices.

Informal Class Day

The seniors celebrated their accomplishments, four years of hard work, and used this time to prepare for formal class night. The senior class officers presented the class history, describing their high school experiences from freshman to senior year. The yearbook editors for next year were announced, and the yearbook was dedicated to Mr. Ted Duluk and Mr. Duncan Gray. The class ode was presented, however unlike years past, this year it was presented as a song, "Stand Up Stand Out". The song was written by Kylee Rollins, Isra Siddiq, and Shelley Whalen. Rollins performed the song with Meredith Johnson with the help of Mr. Flanagan on guitar.

Formal Class Night

The senior class gathered again in the evening to recognize their accomplishments with family and friends. There were awards and scholarships given out for academics, athletics, and arts. The senior

members of the chorus performed their class song, "High School Musical", which was chosen to correspond with the yearbook theme. Academic achievements were recognized including the Top Ten students in the class. Senior essay winners Randy Wentworth and Shannon Kingsley moved the audience with their words. Jimmy

Schromm and Anthony Baiungo were recognized for their future service to our country, with both entering the military. The night concluded with the seniors lining the hallways as parents congratulated the entire class.

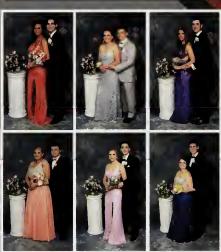

Seniors hit the dance floor on last time in the high school careers, as the celebrated 12 years of hard work and friendship.

Students arrived dressed to the nines and after months of prom planning it was finally the night they had been anticipating.

Senior Prom

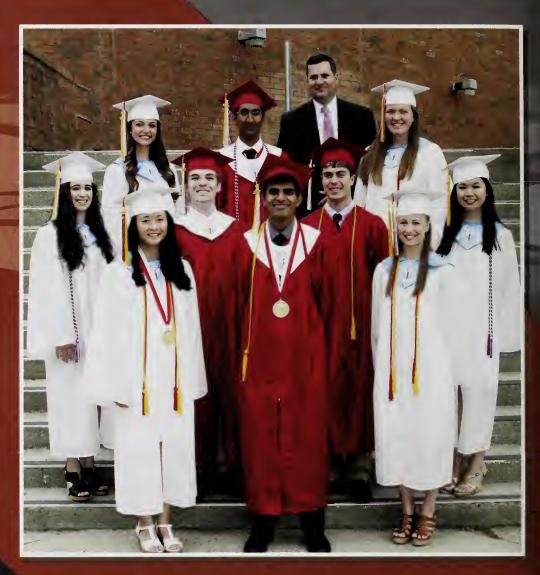

Senior Prom was right out of the Great Gatsby. It was glamorous, glitzy, and definitely a party atmosphere. The senior prom was held at The Renaissance Hotel in Providence on May 21. The planning and efforts of the Student Council, Class Officers, and Prom Committee resulted in a flawless night that everyone enjoyed. Tasty food, good music, fun dancing, and excited celebration, was the perfect way for seniors to kick off their end of the year activities. Prom King and Queen was presented to Nick Pedro and Davin MacDonald, and the Prom court consisted of Nick Morrison and Grace Guertin, Andy Katch and Brynn Foley, and Erin Brown and Nick Lockavitch. Students had the time of their lives as they enjoyed their last dance together. It was a night that all will remember for a long time to come.

Graduation Day

On June 3rd, the class of 2016 celebrated their graduation from North Attleboro High School. Fortunately the rain held off, so the ceremony was able to be held outside on Beaupre Field. The 2016 class president Chris LaVallee opened up the ceremony, welcoming the graduates, family, friends and teachers to the event. Salutatorian Prateet Shah, and Valedictorian Lin Chen gave inspirational and insightful

speeches. The graduates then made the infamous walk across the stage to receive their diplomas. After handing out diplomas Principal Craig Juelis gave the closing remarks, and the class tossed their caps in the air as a celebration of their accomplishment.

New memories are made as the graduates finish their senior week together as a class.

ANGP All Night Grad Party

Following the graduation ceremony, the new graduates attended the All Night Grad Party at the North Attleboro YMCA. The party is planned and run by generous parent volunteers, who put endless time and effort into this great event. There were many games and activities to keep busy such as, inflatable obstacles courses, pickle ball, a photo booth, a caricaturist, corn hole, and board games. There was also a impressive hypnosis presentation which wowed the audience. Along with all of the entertainment there was also raffles, with prizes including televisions, refrigerators, microwaves, and other college dorm essentials. The party went all night, and it was a great way to end high school together as a class.

This year the editors have chosen High School musical as the yearbook theme. We chose this theme because it reminds us of our childhood. It is youthful and fun, it represents unity and coming together as a school. This is how we wish to remember our high school experience. This year we have been working hard to create a yearbook that is unique and special. We had many fundraisers including the candy grams we sold before winter break and the first ever NAHS neon winter dance. The dance was a success thanks to our very own Tucker Mitchell as DJ. We are very proud of our yearbook and hope that you all enjoy it as much as we did. Thank you all for an amazing high school experience, We're all in this together. -Maddy Monahan

With High School Musical celebrated it's 10th anniversary and we have compiled a few reasons to why.

- Our very own Troy in the yearbook office window
- 2. The music and dance
- 3. The impossible becomes possible
- 4. The unwavering North spirit.
- 5. The song "We're All In This Together"
 The main reason why we love High
 School Musical is because we really are all
 in this together. No matter where we go,
 we will always have people that share
 our interests. No one is ever alone, and if
 anyone feels like they are, you need only
 remember the lyrics of this song.

Fads and trends have come and gone, but there were certain things we just can't let go of. Disney has produced a lot of movies, but none of them have hit the masses like "High School Musical" did in 2006.

Ten years have now gone by since the original premiere of the movie that changed our lives. "High School Musical" is something that will most certainly live on as we have it on top of our lists of things to remember and to pass down to the next generation. The lessons about friendship, family, and love are never going to fade out.

What I've Been
Looking For

Thank You To All Our Sponsors

We want to thank our generous sponsors for making this yearbook possible and supporting the students of our community. Without them we would not be able to produce our book. Please support our sponsors.

SENIOR Tributes...

Madison, I remember the first day I held you, I cried so hard because I said "I love you too much". That feeling has never changed, and sitting here writing your senior tribute is just overwhelming to me. Where has the time

gone? 18 years have passed, and you continue to be my ray of sunshine. You have made me so broud, and you are truly a blessing. With hard work, and dedication, you will accomplish anything you set your

mind to. May the rest of your journey continue to bring you happiness and success. You are on your way to amazing things, and you will always have the love and support from your family. We love you Maddie!!!!

Mom, Zachary and Colin χοχοχοχο

Ashley,

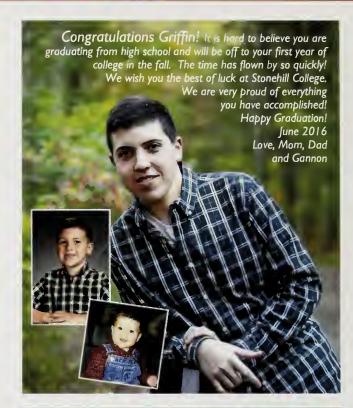

We are so proud of you and can't wait to see what the future brings you!!

We wish you many adventures and happy memories.

We love you so much, Mom, Dad & Andrew

Zackery, Congratulations! We wish you nothing but the brightest future. With your sense of humor, strong work ethic and caring for others, you are off to a great start! Remember that life may not always go as you plan, but enjoy the ride and I promise, you will end up right where you are meant to be. We are all so proud of you! We love you big much!! Group hugs and kisses. Dad, Mom, Samantha and Yogi

FIVE THINGS THAT MAKE US "US"

by Isabelle Renzi

At 41.9833° N, 71.3333° W, North Attleboro, Massachusetts is a town located 35 minutes south of Boston and 15 minutes north of Providence, located in the hearts of many. Founded in 1887, many long standing traditions are still in place.

Although there are a lot of things that make North Attleboro unique, some of the most special North Attleboro traditions are listed below.

60th Annual Downtown Santa Parade: The Downtown Association of North Attleboro runs the Santa Parade, sponsored by Bristol County Savings Bank. It runs from the center of town to Chestnut Street. Prizes are awarded to the best floats in the parade. Santa rides in one of the floats and is accompanied by many local dance schools who perform throughout the 2 mile route.

Middle School Heritage Day: Middle School's Heritage Day is one of its longest standing traditions. Thirty two years in the making, Heritage Day has culminated 57 workshops to give middle school students the opportunity to experience different occupations and demonstrations.

The Big Red Bus: Unlike any of its kind, The Big Red Bus is a school bus that shows off the intimidation and class that North Attleboro brings to every sporting event. As an underclassman it is an honor to ride on Big Red, and as an upperclassman it is one of your favorite traditions.

Pickleball: Pickleball is a favorite NAHS physical education unit. It is a racquet sport that combines elements of badminton, tennis, and table tennis. It can be played by two, three or four people.

Rowdy Crowd: The Red Rocketeer Rowdy Crowd is unique to North Attleboro. The excited mob of over one hundred students crowds together under the lights at Community Field on Friday nights to cheer on their favorite home football team. Theme nights, flags, and noisemakers can all be found on any given night, led by this year's honorary captains, Brian Kleczkowski and Rachel Meilan.

The World's Top 5 Most Watched **Sporting Events**

1. FIFA World Cup

The FIFA World Cup is the quadrennial soccer championship held every four years since 1930 (with two exceptions as a result of that whole WWII thing). The Cup's final game is the single mast viewed sparting event an earth. The 2010 match between Spain and The Netherlands was watched by an estimated 700 million peaple. That's a decent chunk of the world's entire papulation.

2. The Olympics

The Olympics may draw more averall viewers during their multi-day run than any single sporting event, but it's not a sport itself that attracts the biggest Olympic audience. The apening ceremany of the Beijing Olympics in 2008 is estimated to have drawn nearly 600 million pairs af eyeballs at any given moment, making it a close match for the 2010 Warld Cup final match.

In 2011, a different Warld Cup - the ICC Cricket Warld Cup champianship – gave soccer a run far its maney. The most watched match, interestingly enough, was nat the final game, but rather the semi-final match between bitter rivals India and Pakistan played an March 30. The game might have been watched by as many as a billian peaple, but was surely seen by at least several hundred million simultaneaus viewers.

4. Super Bowl XLVI

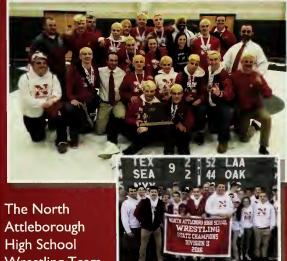

Super Bowl XLVI, in 2012, was the mast watched "big game" in the history of the NFL. The match, which pitted the NY Giants against the New England Patriats, drew araund 111.5 millian viewers. When you cansider haw (relatively) few peaple autside of Narth America care about American faatball, that's a proportionally huge number of folks tuning in ta watch the Pats lase.

5. Monaco Grand Prix

Held annually since 1929, the Manaca Grand Prix is cansidered by most auta racing enthusiasts ta be the premier event of the racing season. The race garners an average viewership af around 25 millian peaple each year, with the numbers grawing as auta racing becomes ever more papular.

Wrestling Team was honored by

the Boston Red Sox for winning this year's MIAA state championship.

The NAHS girls lacrosse team highlight earned a home tournament game and win for the first time in school history and made it to the state tournament quarter finals for the first time in school history

The Rocketeers picked up an historic win on October 16th, defeating the Taunton Tigers, 44-20 to make them the Hockomock champions.

This is the first time in 18 years that the Rocketeers clinched the Hockomock at their home field, Community. Senior Brodey Barr said that this win was "one of the biggest wins" of his High School career.

Dedication Ted Duluk & Duncan Gray

This year's Northern Light yearbook is dedicated to not only one, but two of North Attleboro High School's most inspirational teachers. About 30 years ago these two teachers came to North Attleboro High School as a package deal. Quick to become friends when they met one another teaching at a different high school this quirky pair of biology teachers have been inseparable ever since. In each of their respective classrooms, their students have found an appreciation for learning through their energetic teaching styles. Both teachers manage to keep their students captivated and emphasize the importance of hard work. They have developed the tools for each of their students to succeed, always willing to adapt and reach out to anyone who needs the help. The retirement of Mr. Duncan Gray and Mr. Ted Duluk is an enormous loss for not only NAHS but the entire school system. Their positive energy radiates throughout the school. Their stupendous teaching counts for a huge part of the students' success. These two have inspired hundreds if not thousands of students throughout the years to pursue careers in different science fields. They have personally had a positive effect on hundreds of people and managed to make learning fun. Thank you Mr. Grey and Mr. Duluk for your dedication to this school and the students, your always positive attitudes, and your weird catch phrases. You will be truly missed, good luck with everything in life, have wonderful retirements. Wayou.

In forty-one years of teaching, Ted Duluk has provided the spark that ignited a burning passion in each and every one of his students for learning biology and the intrinsic beauty of life. From well-informed medical professionals to researchers and engineers, his students continue to achieve greatness in their personal lives and careers. He is frequently reminded of his positive impact on his student's lives by return visits, letters and emails from former students. If one were to look up the word life in a dictionary, instead of being presented with a simple phrase, one will find a very long list of characteristics. Similarly, if one were to look up teaching, better yet - excellence in teaching, Mr. Duluk's picture should be featured. It would be accompanied by a list of attributes including but not limited to: one who is passionate, a life-long learner, dynamic, engaging, animated, artistic, respected and respectful, last but not least - tempered with humor. Were there to be an App for excellence in teaching biology it would be authored by Mr. Duluk. It would be free and infinitely accessible by all, just as he and his teaching have been for his entire career. As was the case for all of his students, any teacher who has been touched by Mr. Duluk is better for the experience. I thank my lucky stars for the privilege and pleasure of working with him for my entire career.

- Duncan Gray

Mr. Gray is the finest teacher I have ever met in my 41-year career. Mr. Gray is that unique hybrid that is created from the meticulous mixing of competence, dedication and creativity. There will surely never be another Mr. Gray. I am proud and thankful for having been given the opportunity to call him my colleague and my friend for four decades. He has immeasurably enriched the lives of his students and colleagues.

- Ted Duluk
